STATINTL

I enjoyed the visit to the Central Intelligence Agency greatly and am very appreciative of the opportunity to learn more about it. It was an interesting and valuable experience.

Particularly, I appreciated the hospitality of you and your wife and the chance to have the evening with you all. Thanks very much.

The next time I am in Shreveport I will give the Youngs a call. Hope you had a fine trip to Florida.

Cordially,

M. D. Woodin
